

Work with business owners

Location **Arizona**
<https://www.genclassifieds.com/x-562298-z>

If you have connections to business owners and merchants, my company has a referral program for people who wants to be a contractor.

You make \$100 plus monthly residual for every approved merchant that switch over to our merchant services. There is no limit for the monthly residual.

This benefits those who already work with a high amount of business owners.
 This can benefit website and graphic designers, account managers, advertisers, etc.

Our company is an American based company with an A+ in BBB.

We can provide a solution for every type of business including e.
