Phillip was picked up as a stray so we don't have any history on him before he was at the humane society. He acts like he hasn't had much training but is really smart so with a little work he will be awesome! We don't know how he is with cats but he was barking at the other small dogs so he probably will want to chase them but he probably never seen one either. He is already fixed, current on his shots, and microchipped. He is ready to go home today!

PLEASE e-mail (do not call) for more information and to set up an appointment to adopt. Do not e-mail us with a request to call you, if you have a question please ask in the e-mail.
