

Adorable puppy

Location **Arizona**
<https://www.genclassifieds.com/x-562314-z>

15 weeks old. Has all vaccines except rabies. Due at 18 weeks. Has been de wormed. Knows basic commands. Gets along with kids, dogs and seems fine with cats. Introduced her to our neighbors cat and she got down and sagged her tail. But cat still didn't like it and ran off.
She will come with collar, leash and UKC papers. (She is PR UKC registered)
There is a rehoming fee and contract to insure her safety. I'd love to keep her but have 4 dogs already.
Gotti, razors edge and remi
