Hello - are you already thinking about the upcoming school year transportation needs? I am the mother of 2 adult children and 4 grandchildren. I am looking to help you with your child's/children's after-school transportation needs. I am extremely safe, reliable and trustworthy. I have a nice 2006 SUV, clean driving record, full insurance coverage. I am also very flexible. It can be a one-time/occasional or a weekly scheduled occurrence. Contact me for my phone number and hang onto it, even if you aren't just sure of your needs just yet. I live in West Mesa off Dobson Rd and Hwy 60 and will travel up to 15 miles to pick up destination. Mesa, Tempe, Chandler, Gilbert, Scottsdale areas. Rate negotiable and reasonable. Thank you!

PS - please provide crossroads of the pick-up points if more than one, as well as the crossroad of the final destination. Also please tell me days of the week, times and # of children and if the children will just be dropped off or if they will need to be watched and for how long. Your details will help provide a more accurate price. I don't charge a lot for my time, but do need to know the mileage of each trip to be able to charge.
