Join a new music business community and network

Location   **Georgia**
https://www.genclassifieds.com/x-562355-z

 New music industry directory site has just launched and wants you to join and begin promoting yourself and your business through the site. Create a profile and make your business, skills and expertise known. Registration is totally free and gives music industry professionals and amateurs alike full access to a new and growing community of likeminded people. All genres are welcome. All business types are welcome. Join, start a discussion, post an upcoming event, ask the community questions, sell digital content and more. Make yourself and business more discoverable and become a part of the community.
