

Hello women of the bay area!

I am looking to start an adult website and I am in need of footage / scenes / stories and YOU! I have a basic theme/format, but I am just at the beginning of building content, after all, can't launch a website based on video without any...well...videos! So who am I looking for? I am NOT...I repeat NOT looking for "professionals", minors, prostitutes, druggies, alcoholics, (or addicts of ANY kind!!!) diseases, bad attitudes, drama of any kind, sour apples or women who will do anything to get paid and or have no self respect...NONE of these are sought after, wanted, or accepted...period!!! Sorry to be harsh, but I am looking for a specific type... so here is who I AM looking for! :) you are kind, easy going and fun loving and want to be a part of something fun and exciting from the beginning which has the potential to be awesome! You are comfortable in your own skin and sexuality... you are drug and disease free and can verify the latter... (nobody is looking for diseases here right?! This is supposed to be FUN!!!) A positive attitude, calm demeanor and love for sex... being, feeling and dressing sexy are also a must! Now as far as physical qualities I'm looking for; attractive is a must...duh right?! I mean, it may sound mean, but let's be real, who watches videos of people they find unattractive? I know I know, harsh but I'm just being realistic! So, you must be good looking! A slim, petite or athletic body type is a must, you need not be a muscly gym hero but I'm not looking for overweight or out of shape women! MUST BE 18 or older! Proof of age WILL BE REQUIRED! Also Good, no, GREAT hygiene is a MUST! I am looking for "amateurs", or those who are not currently making a living in the "adult" industry. I am very specific as to the type of women I'm looking to cast because i have a specific theme that i want to adhere to! Ethnicity is not an issue as long as you meet the above criteria! Again no "pro's" thank you! Lastly I'm not looking for just anybody, and many will not be selected for interviewing. Please do not take it personally, it's all about the theme!

If you are interested please send me an introductory email and please include the following:

- Your first name and REAL age
- A brief description of your personality and who you are!

-why you would make a good candidate to be selected to model/act in this project

Finally, please provide the best way to contact you: cell, email or home/office pigeon.

If you are selected you will be contacted in the method you specify!

The next step will be a phone interview during which I can get a "feel" for whether or not you are a good "fit". I will also provide more details as to what this opportunity means in terms of time commitment, location, compensation etc. The next step will be a follow up interview and then scheduling.

Thank you so much for taking the time to read this! I'm looking forward to a great new adventure and I hope you will jump on board! Any and all information you share in these preliminary correspondence are strictly confidential. Thanks again and I look forward to hearing from you!
