Sales person garage sales, flea market, online etc

I need help selling my stuff now and ongoing -- online, garage sales, ebay, amazon, etsy, craigslist, etc. Also looking for those interested in selling at the flea market.

You decide how inventory is to be sold. You pickup inventory, sell it or return what you don't sell.

Prefer closer to Wolfe and Lawrence and Old San Francisco Rd, Sunnyvale-Santa Clara and has a truck.

I have new things daily to sell. looking to start immediately.

Leave phone number if.
