HELLLLO SF BAY!!

My name Is Kristofer (PlaneCrashKissy), I am a music producer In Hollywood that Has around thirty songs with complete instrumentation and mixing, and incredibly I cannot seem to find anyone in LA that is actually trying to be different. I WILL split ALL rights with the material to the artist in return for the vocalist writing and completing the song. Naturally though you will need access to a decent microphone to make it work. CHECK OUT THE open songs at

IF YOUR AS GOOD AS ME THEN LETS DO WORK!!!!!!

I'M NOT A SCAM LIKE THE REST OF THIS BULLSHIT WEBSITE
