Good Evening All,

My name is Jasmine, and like it says in the title, I'm looking for a room share (or private room). My lease at my current place is going to be up by the 15th, and I'd like to stay in the bay area while I wait to take my boards and/or find a job.

Here's a little bit about me: I'm a 22 yr old female from Southern California. I just finished my degree in nursing and am hoping to stay here to find a job. I'm responsible, have a job as a gym supervisor, and know how to be a good roommate (I am a former RA so I know what crappy roommates look like). I know how to clean, and I'm not afraid to clean the bathroom or mop. I like to bake cookies, ride my motorcycle, listen to my record player, and rot my brain watching netflix.

If I seem like someone you wouldn't mind living with, or have a room in your apt that needs a new "owner", I'd love to hear from!
