hi me and my family of 3 are going to be moving to anchorage in october and I want to find someplace for us in the price range of 1000-1200 dollers a month with maybe one utility or 2 if its lower then our budget,it needs to be at least 2 bedroom 1 bath,when sending replys please send photos so we can see what youre place thats for offer looks like.Id like to be able to get a pet but if its not possible then that wont be a negative either.

Im looking in the possibility of renting to own type thing too.if you have something like that Ill be able to put 5-6k down and then about 850-1000 a month after that assuming we will be paying for utilities.

Thanks, Halderman-Seipel
