Two bedroom, one bath apartment in a triplex in a quiet, residential neighborhood. One block from Campbell Creek trail/greenbelt. Recently energy-rated as 5-star, so warm & cozy in the winter. High-efficiency washer & dryer in unit. Slate tile arctic entryway with coat closet. Spacious kitchen, actually just finishing a remodel right now. Second bedroom has built in queen wallbed w/ drafting table- works best as an office/guest bedroom. Wide, sunny front yard and private side yard patio for grilling out. Fireplace is pretty retro-looking, but if you don't mind that then it's a nice-looking place. Rent includes standard utilities including electrical. Sorry- no pets, and no smoking.

(Furniture will be gone except wallbed- I just don't have any empty pictures of the)
