Hello I am looking to trade someone housework/other creative work in exchange for HELP with small sewing projects. I have a few clothes items I need to alter (to make them fit for maternity styles). I have basic sewing knowledge, but no machine, so I would be looking for minimum help in exchange for ? If all works out, I also have a few simple baby-sewing projects I'd like to tackle (blankets, etc.) Again, I know the basics of sewing but have no machine. I would sew by hand but carpal tunnel in both wrists limits the amount of work I can do, unfortunately.

Also, I am willing to travel just about anywhere in the Denver Metro area--I do take the bus, but get around pretty well anywhere I need to go.

This would be a middle of the week gig as well, as I work all weekend.

Please e-mail me or text me with offers.

Thanks for reading and I look forward to working with!!!
