1975 JD300 Restored by previous owner in 1998 at 630 hours. I've had it since 2003 and recently upgraded to a 318. Works just fine. This one is still in use while maintenance and repairs are being made to the 318. Currently has 1058 hours, front and mid hydraulics, mower deck with newer mulching blades and belt. Two decks to choose from 42 or 60. The 42 has a higher lift. Everything works. Includes a PDF version of the Technical Service Manual. This model was later called the 316. This is the real deal 16 hp Kohler engine. Very good tractor with many years of service left to it. \$1,400 Call
