Hello there, I have three beautiful Boston Terrier babies that are looking for their soon to be forever homes. They were born on the 1st of July and will be ready for their new family around the 12th of August. I have two boys and one girl. Mom and dad are both pure bred bostons, but no papers. Both parents were vet checked and cleared before breeding. Mom on site, and photos of dad, could possibly get dad on site if really needed. Mom is 15 pounds soaking wet, dad is around 20pounds. Babies will go to their families with their first set of shots, transfer kennel, and a goody bag. I'm asking \$700 for the boys, and \$800 for the little girl. I will need half down for a holding deposit. Feel free to call/text/email me and I'd be more than happy to send you photos and/or let you meet them. Thanks for=)
