Missing Tabby Cat by Pittman

Location **Alaska** https://www.genclassifieds.com/x-562779-z

GenClassifieds.com

Our tabby cat Tom went missing on July 2nd around a neighborhood at the beginning of Pittman. We can only hope a caring neighbor picked him up or let him in during one of his kitty adventures. Please help us re-complete our family by contacting me if you have seen him around! Thank you so.
