

2002 Ford Focus 4 Door (141k miles) (1900 USD)

Location **Arkansas**

2002 Ford Focus 4 door sedan.

Air conditioning works great. Power windows and locks.
60/40 split fold rear seat w/flip-up seat cushion.
Does have a slow leak somewhere in the brake line so it needs brake fluid added every now and then.

It has been my daily driver for the last year. Gets around 28 MPG on the Fayetteville to Bentonville commute. Has been a reliable vehicle since I bought it last year. Selling because we are getting a SUV.

Clean title in.
