I am needing to rehome my Olde English Male Bulldogge. I adopted him back in May and have had sinus and ear infections constantly! My allergies are through the roof! I love him and have tried so many meds but I'm still ill. So, with a saddened heart I must rehome my baby.

He is a beautiful red brindle, not extremely drooly and a solid 85lbs of muscle! He is a looker by all means! However, to look you need to send me a text or email, tell me about yourself and/or family. I will not reply to just questions or one liners asking how much! He is a loved family member and he will only go to someone else that knows and loves the breed.

He will go home with food, toys, bowls and anything else that is his.

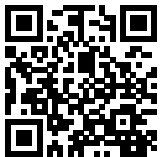

Thank you and I hope to hear from you soon!

Oh, please no calls!! I don't have a voice right now because of the!
