Hello I am a stay at home mom of 4 (all of my kids are in school now). I have been doing this for over 14 years. After having my oldest I knew that I was to scared to leave her with just anybody so I started watching kids. It is scary to just leave our children with strangers. All parents have this fear I am sure, but I am hoping that I can help you feel better about that. I want the children I watch to feel like this is their home. I want them to have fun but learn things along the way. I only watch a few children so that way your kids get the attention they deserve. If you are looking for a loving home for your child to spend the day this may just be the place for you. I only have one full time position open. Thank you so much.
