

1964 MATTEL V

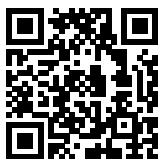

Location **Massachusetts**
<https://www.genclassifieds.com/x-562884-z>

Very cool vintage 1964 Mattel V-room bolt on bicycle toy engine.. No batteries, you pump the handle and you can choose if it sounds like a police siren or motorcycle engine !! Works fine and even has the clamps still intact to attach it to your vintage Stingray muscle bike.. Original box and instructions are still present as well.

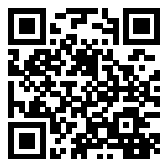

PRICE is \$75 cash

PLEASE include your name and phone number if you expect a.
