I have a lot of birds and haven't been able to keep up with them. 3 babies were just born about 3 weeks ago. I wanted to train them and hand feed them but I just don't have the time I am giving them up with a adoption fee of 30 each baby. And I also have a yellow bird and a white bird that I would love to keep together but have to get rid of them as well. I am asking for 80 for the pair or 40 each on the adoption fee. If you have any questions feel free to give me a call or text at
