

WEBSITE FOR 299 COMPLETED

Location **Michigan** https://www.genclassifieds.com/x-562963-z

Hi,

I'm offering my services to develop a website for your business or personal use. I have a creative mind with the ability to listen well, and pay special attention to detail. I can design your site how ever you wish. Also, we will be able to add different functions to it such as taking care of search engine optimization. You will need a domain name and hosting in order for me to get started. Thanks.

Fees:

- -\$299 completed website
- -Initial payment of \$100 before work is begun

Credentials:

- -Wayne State University graduate with a degree in computer science,
- -Years of experience with developing websites.
- -Dependable and nice to work with.
