I give a great full body massage designed specifically for men. You will feel relaxed and good all over when I am done. I am located 20 minutes west of Metro airport just off I-94. I charge \$55/hour or \$75/90min and it is well worth the drive. My hours are 9am-7pm 7 days a week. My name is Dave and you can call me at 734-480.
