Looking for someone to assist in the home once a week.

Would require assistance in

- Vacuuming
- Kitchen Cleaning
- Window Cleaning
- Bathroom Cleaning
- Dusting and Furniture
- Ironing
- Laundry (Including folding and putting away clothing)

\$10/hour, will be higher depending on the quality of cleaning. Must be trustworthy, will be supervised and assisted by my wife. This is more of a support role for her. Would be more comfortable with an older woman (no one under the age of 30, 40+.)
