Valuables such as fine jewelry should be removed from drawers and never packed with your household goods. They will be most secure if they remain in your possession while moving. If you don't feel comfortable taking your fine jewelry or other valuables with you (like stamp or coin collections), consider hiring a third-party armored vehicle service.

Cups

If not using cellular dividers, wrap cups individually first in a double layer of paper and place them upside down on rims in a row on an upper layer with all handles facing the same direction. Top off the layer with wadded newsprint. Even when using a dish pack and cellular dividers, wrap china cups individually first, protecting handles with an extra layer of clean paper. Then pack cups upside down. Now they're ready for.
