Participating in focus groups and online surveys is fun and rewarding. We will pay you for simply sharing your opinions as a participant in a focus group or completing brief online surveys.

We are seeking individuals from every demographic area, as well as from all ethnic populations, and all industry sectors.

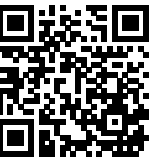

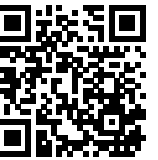

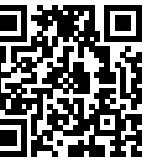

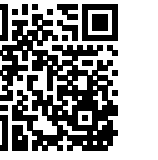

Through participating in our focus group discussions and surveys you will be PAID for voicing your opinions on a range of subjects from technology to beverages, the internet, music, transportation, food, and other subjects.

We have a \$100 (60 minutes) or \$200 (4 hours) opinion study taking place in CITY NAME ON DATE.

A focus group normally lasts from 30 minutes to 2 hours. These can be conducted in-person, by a telephone interview or on an online blogging platform. An online survey typically takes 10-20 minutes to successfully complete. Compensation for participation ranges, depending on the requirements for the group or survey.

Registration is free, of course!
