

re sell stuff on ebay for scammer

Location **Massachusetts**
<https://www.genclassifieds.com/x-563175-z>

this is not a gig. the pay is less than \$4 an hour. do the math.
this weirdo has a pile of yard sale rejects that need to go to a landfill.

we flagged her 50 times but she re-spams.

she wants you to sell and deliver the stuff for NOTHING
using your own ebay account.

it adds up to about a dollar an hour.

baby clothes and dog gates are worth ZERO on ebay.

send her back to planet weirdo.

FLAG AND AVOID.
thanks for looking
