I have lawn clean up for fall and snow for 4 people 3 of which snow and more potential business and possible other handy work. and potential to take on other work. the jobs are 30 per mowing every two to 3 weeks or based on needs of home owners all are in 60s and 70s with it and just cant do the work. so please if you are not able to do the jobs specified for amount its not for you. all people may need extra help and can only afford whats there most places are in great shape and need very little work. sometimes hedges and trees two can dump onsite two need hauling off. potential for some painting jobs as well.

refrences lic insure and pictures needed or people good with working with people who are elder or
