

Cleaning Person Needed This Tuesday for Deep Cleaning of House (Sudbury)

Location

Massachusetts<https://www.genclassifieds.com/x-563179-z>

This gig is for someone who doesn't mind getting dirty. We need parts of our house (including garage and basement) thoroughly cleaned this Tuesday before new owners move in. Will involve washing plastic garage shelving, sweeping, etc. Prefer someone with some cleaning supplies and a vacuum, but that's not essential. We're estimating this at 4 hours. \$100 flat. Will need references. If interested, please respond.
