Small Paws With Big Hearts Rescue

We have a crew of beautiful baby Satin bunnies. Born May 25th and ready for a loving forever home. They have all been handled daily by us and are very human friendly. They will make any household perfect. They are young and cannot be fixed until about age 4-6 months and that will solely be your responsibility. A small fee would be greatly appreciated as that will help us here at the rescue or a bag of rabbit food. We have others we have rescued but will not be able to be adopted out due to the way they were raised. So we will keep them here forever :-)

If interested please contact us by the email provided, on our facebook page "Small Paws With Big Hearts Rescue", or TEXT ONLY the number provided. These bunnies are gorgeous and please do your research on the food they require and care needed. If you can no longer care for them please return at any time.
