Breaks my heart to do this, but due to financial struggles I need to rehome my gorgeous 10 week old Pitbull. She sits on command, lays down, comes when called. She has had her first shots and has been dewormed.

She's great with my other dog and my cat -- great with people, she's honestly the perfect puppy. I have been crate training her during the day when I go to work; she will cry for a bit but then settle down and doesn't mess in her crate for over 8 hours while I am at work.

It truly breaks my heart to do this, but I need to find her a new home.

I am asking for \$150 rehoming fee for the expenses I have put in to her already (vet visits and vaccines and such) and to ensure she goes to a great home.

Serious inquiries only please. Feel free to
