

Do you need a PART TIME NIGHT SITTERNANNYHOUSE MANAGER or DRIVER (WES

Location **Massachusetts**
<https://www.genclassifieds.com/x-563319-z>

I am looking for 2-4 days/week regular or occasional sitting in afternoons or evenings/overnights or one time emergency sitting jobs in my local area. I am not available in the mornings all the time but in case of sick child or emergency you can count on me to be there all day if need be. I am only available days M-F, and nights on weekends.

I have over 25 years of childcare and driving experience. I grew up in North Framingham and know the whole Metro West area very well. My references are available upon interviewing.

I am also interested in DRIVING ONLY opportunities in the afternoon and evenings only. Morning availability for "no school" or sick children only.

I drive and my car is reliable. I have an excellent driving record. I am fun, friendly, love helping children and have a nursing and art background. I am also pet friendly. I can light clean/organize, help with children's laundry and light cook or meal prep.

My rate is \$15-\$20/hr for up to 2 children and \$25/hr for up to 3 children. More than 3 children, rate would be negotiable. Overnight sitting rates to be discussed. ALL my rates always include local gas allowance already if using my car. Extra charge for childcare PLUS light household duties.

*Date night rates are FIRM starting at \$15 for up to 2 children only. Please add \$5.00 for each additional child.

If you think I might be a good fit with your needs/family please contact me. Thank you!
