* Child care in my home for Teachers children (Alexandria) *

Hi my name is Rosie,
 I have 25 + years experience & was State Certified for over 20 of those years.
 I have three grown children and four grand children.
 My goal is to fill each child's day with fun, love and security and to also fill the parents day with confidence regarding the care given to their children.

I provide loving care for 2-5 children daily!

Most of my daycare parents teach at
 CCHS, CCMS, Reiley Elem., Grant's Lick Elem., St Mary's, Bishop Brossart, Crossroads Elem.,
 Campbell Ridge Elem.

I have excellent references from teachers whom I have formerly & still care for.

If interested please contact me to set up an interview.

Thank you for taking the time to read my post.
