Location **Kentucky**
<https://www.genclassifieds.com/x-563347-z>

Please contact me if you have a farm/barn and are willing to accept cats who are spayed/neutered (can not add to the overpopulation) but are young, healthy, and need loving homes.

So longs you are able to feed/water daily and they have shelter from the weather.. They will be happy!!! Petting and talking to them does help of course and plenty of room to roam!
