

# Orchestral Rock Band Seeking Cellist (Minneapolis)

Location **Minnesota**  
<https://www.genclassifieds.com/x-563387-z>

The group name is Era Novair, and we need a cellist. It is a relatively new project, although we have been playing around MPLS for quite some time, under my name, Anthony Novak. We are: Vocals, Guitar, Bass, Backup singer (my wife), Violinist, and Drums. Our current cellist has other obligations, and we need someone who can rehearse on a regular basis (once a week). We are also looking to tour in the next 6-8 months, so someone that can be gone for a month at a time. Preferably younger, female, and has a stronger desire to play original music. I write all of the string parts, so reading is a must. You can visit our website (its brand new, so bare with me!) at [www.eranovair.com](http://www.eranovair.com) to check out what we are about. Please call me at

for more info or to set something!
