RedCurrent, a fast-growing events app in the Twin Cities is expanding it's promotions team. It's a pretty simple and super fun gig - we go to events and offer incentives to people for downloading our free app. This is not a sales gig, but you must not be shy about approaching people either. Our team has fun and helps each other succeed. No need to send a resume - just let me know your skills and what you're looking for in terms of hours. I am looking for enthusiastic, outgoing and flexible folks who aren't flakes. Hourly rate.!
