

Seeking Experienced Developers (Java.NET)

Location **Minnesota**
<https://www.genclassifieds.com/x-563405-z>

My company is currently working on a start up business that is projected to explode in revenue once things are solidified. Currently looking for a few developers who have the experience and drive to code from scratch, combined with the entrepreneurial spirit to be part stake owner of a company.

Please respond to this posting with your resume, along with why you would be a good.
