

Need a welder for my exhaust (Hopkins)

Location

Minnesota

<https://www.genclassifieds.com/x-563406-z>

I put a new exhaust Tip on my truck and I used clamps but don't really like the look so I need someone to weld it on. It needs to be welded in 4 spots. Please text me how much it will cost. The tip is 2 1/4" and the elbow and pipe is 2 1"
