Perfect setup for beginner or someone looking to upgrade to an SLR camera. (\$500 value)
Will sell everything listed separately as priced or together as a deal.

Canon 20D camera body \$100
8.2 megapixels
Excellent condition; not a scratch on it.
Comes with original strap which is in very good condition. Some visible wear on the strap.
Battery, charger and lens cover.
No CF card.

Lens: \$200

This is NOT the cheap lens made in Twain that came with this camera. I bought the upgrade to the 17-85mm quality lens that is made in Japan. Automatic focus, Image Stabilizer, lens hood, lens cover and internal lens cover,

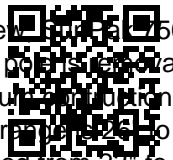

Filters:

Hoya Pro 1 Digital Polarizer NDX4 67mm \$45
Tiffen Circular Polarizer (Made in Japan) 67mm \$25
Hoya Softer filter 67mm \$20
ProMaster softer filter 67mm \$20
Merkury Optics UV Clear filter 67mm \$15
