

## Canon complete setup (350 USD)

Location **Louisiana**  
<https://www.genclassifieds.com/x-563460-z>

Perfect setup for beginner or someone looking to upgrade to an SLR camera. (\$500 value)  
Will sell everything listed separately as priced or together as a deal.

Canon 20D camera body \$100  
8.2 megapixels  
Excellent condition; not a scratch on it.  
Comes with original strap which is in very good condition. Some visible wear on the strap.  
Battery, charger and lens cover.  
No CF card.

Lens: \$200

This is NOT the cheap lens made in Taiwan that came with this camera. I bought the upgrade to the 17-85mm quality lens that is made in Japan. Automatic focus, Image Stabilizer, lens hood, lens cover and internal lens cover,

Filters:

Hoya Pro 1 Digital Polarizer NDX4 67mm \$45  
Tiffen Circular Polarizer (Made in Japan) 67mm \$25  
Hoya Softer filter 67mm \$20  
ProMaster softer filter 67mm \$20  
Merkury Optics UV Clear filter 67mm \$15

<p>Take New Survey with 7500TN Tripod and MonoPod \$50</p> <p>Center point is removable to be used as a monopod</p> <p>Aluminum construction. Very lightweight but sturdy</p> <p>TriPod max height up to 6ft</p> <p>MonoPod from 23" to 64"</p> <p>Bubble level, Rubber feet screw in to reveal metal pegs for stability depending on floor type.</p> <p>Hard to use.</p>
