

Canon complete setup (350 USD)

Location Louisiana https://www.genclassifieds.com/x-563460-z

Perfect setup for beginner or someone looking to upgrade to an SLR camera. (\$500 value) Will sell everything listed separately as priced or together as a deal.

Canon 20D camera body \$100

8.2 megapixels

Excellent condition; not a scratch on it.

Comes with original strap which is in very good condition. Some visible wear on the strap.

Battery, charger and lens cover.

No CF card.

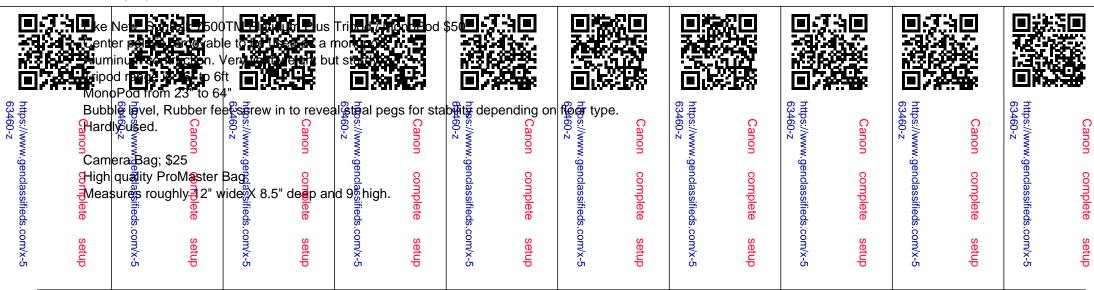

Lens: \$200

This is NOT the cheap lens made in Twain that came with this camera. I bought the upgrade to the 17-85mm quality lens that is made in Japan. Automatic focus, Image Stabilizer, lens hood, lens cover and internal lens cover,

Filters:

Hoya Pro 1 Digital Polarizer NDX4 67mm \$45 Tiffen Circular Polarizer (Made in Japan) 67mm \$25 Hoya Softer filter 67mm \$20 ProMaster softer filter 67mm \$20

Merkury Optics UV Clear filter 67mm \$15

Shoulder strap and waist strap. Big enough to hold everything listed above and more. (except the tripod)
