Hi!

I'm an experienced sitter who can watch kids ages 4-12. I've sat for many families before and enjoy keeping kids busy with games, sports, outdoor activities (in nice weather), and anything else they're into. Here's some info on my background.

- Graduate/Master's in Elementary Education.
- Experience with preschool and school-aged kids includes summer camps, after-school care, swimming lessons, sports classes, park programs, etc.
- Lot of experience sitting for families with multiple children.
- Experience working with kids with special needs like Autism and ADHD.
- Have my own car
- Rate around \$12-15/hour

Please send me an email or text/call anytime with some info on what you're looking for.

Thank you!
