

LIFE FLOATS (200 USD)

Location Mississippi
<https://www.genclassifieds.com/x-563648-z>

USCG Life float, excellent flotation material for working on your boat while it is in the water. These are made out of high density Styrofoam. I have different sizes 4 x 6, 3.5 x 5. Take your pic. New they are (sit down) \$3,400. These are in excellent condition for flotation but will not be accepted by USCG because of small defects as is. You may be able to recondition. Clean easily with soap and water. Many other.
