

We miss our kitty

Location **Maine**
<https://www.genclassifieds.com/x-563825-z>

Our family very much misses Milo. If found, please email me. He is super affectionate. Not even one year old. Last year we caught someone trying to put one of our cats in her car. It was a pearl blue CRV like model car, newish. I believe she took two of our cats last fall, now another disappeared. Please help us find our.
