Hello,

I am a nurturing, reliable, down to earth nanny/caregiver looking to join your family for around 25 hours per week beginning in September 2015. I have over 14 years of experience working closely with ages 0-14 as a nanny, babysitter, and in center based environments. The most common age group that I have worked with (and the one that I love the most) are infants. I highly value respect for self and others and the world around us, and am constantly looking for teachable moments to convey this. I foster growth and development through reading, singing, frequenting the library, going for walks, yoga, and play dates with other friends. Learning experiences are everywhere!

I have fabulous references who are eager to speak with potential employers.

Please don't hesitate to contact me with any questions that you may have. I look forward to hearing from you.

Thanks, and be.
