Hello, my name is Heather. I am a 33 year old homeschooling mom to my three children. I am offering quality, affordable and genuinely loving child care in my home. We live in an Apartment home with a playground provided, healthy walking trail for group walks, and a cute little yard for play. I am happy to provide healthy meals/snacks or you may provide your own, which would allow me to offer a more affordable rate to you. I provide only educational/positive tv time, and concentrate more on reading, imaginative play, and outdoor yard time. I have experience caring for my former Pastor and Youth Pastors children. I have personal references available. My children are aged 6, 10 and 12 years old. We are somewhat new to the area and I am not knowledgable on the local Daycare rates, though I would like to offer a better deal than Daycare. I can only accept one or two children as I want to provide high quality care with ample attention for all the children. Please call or email me with any questions you may have. Let me know what you can afford and feel is worth the loving care for your children and we can figure it out from there. I look forward to hearing from! :)
