We have two sisters that are looking for forever homes. Catniss is black and Prim is a brown tabby. They are 4 months old, spayed, and up to date on all their shots. They had a home lined up, but it ended up not working out, so they are up for adoption. These are super sweet, cuddly, playful girls. They have been raised around kids, other cats, and dogs, and do great with everyone. Litter box trained and eating dry and canned food. Rehoming fee applies to cover the spay cost. Please give us a call at 223-5550 if you would like more info on one of these cute girls. Thanks, Rachel and
