I'm a retired guy who is an intermediate guitar strummer and singer. Do a bunch of tradional, vintage c&w, gospel and hillbilly songs. Hope to meet up with someone who likes this stuff. A lead player or guitar or mandolin? Piano? Really any instrument that works. Have fun, hit an open mic on occasion or book a show once in a while. I can host practice. Played music all my life... I've been in a bunch of bands as a drummer. Got a decent little PA. Maybe be a duo or a.
