

Seeking a Versatile Rock Guitarist (South Indy Greenwood)

Location **Indiana**
<https://www.genclassifieds.com/x-563955-z>

Newly formed Rock cover band with professionals in our 40s /50's looking to add a 2nd Guitarist. Looking for *someone with gig experience* to primarily play Rhythm, but you will also get a couple songs to play Lead so our Lead can play Keys. Bonus if you play Bass and can sit in while our Bass player plays Keys. Would prefer someone who can also bring some back up vocals and add to our backing harmonies.

We are newly formed, and pretty stoked about how it sounds and our band plan that is forming. Our sound is tight and we just need that 2nd guitarist with talent and to gel with us and we're going to be phenomenal.

Bandmates are all professionals - we love what we are doing and are serious, but we are also fun, cool dudes who get along and we are going to be projecting fun for our shows! We all have day jobs and our band isnt a \$\$ band and we will only be playing out about twice a month. (so no hired guns please)

Must be able to do your homework (great emphasis on this) so that you come to weekly practice prepared ("I didnt get to work on it" doesnt cut it - we all taking the week to learn and be ready, you must too)

If you have read the above (first paragraph is paramount) and this interests you, then ***send us an email with info about yourself, including your experience and what you are into*** (responses with these

deets go to the front of the line) links to your music are also preferred if available

We are looking for a versatile guitarist who can play both rhythm and lead, and who can also sing backup vocals. The candidate should be able to play a variety of rock styles, including classic rock, hard rock, and modern rock. The ideal candidate will be a professional musician with gig experience, and who is able to work well with a band. If you are interested, please send us an email with your resume, a list of your previous bands, and links to your music. We will be in touch with you soon.
