

4 month old Black Lab (Greenwood)

Location **Indiana**
<https://www.genclassifieds.com/x-563957-z>

I have a four month old black lab that needs a new home. She has had all her shots and has been dewormed and has had heartworm medicine plus flea and tick prevention medicine. She gets along with all animals and she is housebroken. She loves to play but she also can be a cuddle buddy. She's a really smart dog but I am unable to keep her due to moving out of state for college. Please text me and we can pick a time to have you meet her. Her rehoming fee is \$200. She will be going home with you with dog food, cage, dog bed, bowls, toys, collar, and leash. We have her vet records so you know she has had her.
