I really hate to do this, but I have to find a loving home for my almost 2 year old male Shih Tzu named Toby. We had to move and are not allowed to have pets where we are. He's a great dog and loves to be loved on! He is due for his rabies shot. He was just groomed a couple weeks ago. I hope to find someone who has lots of time or another friendly dog to keep him busy because he hates to be left alone. Also, he hates a leash, although he will walk on one. I think he's just potty shy. A fenced in yard for him would be perfect. I'm asking a \$250 rehoming fee to make sure he goes to a great home. Please email for pics and questions. Thanks so.
